

Affinity Senior Care Pricing Schedule

This document provides a guide to the services and support available from Affinity Senior Care. We are able to discuss options that are not listed, as we personalise care to the unique needs of those we serve.

The pricing in this document is for services that are provided by one Affinity Senior Care partner. Services requiring multiple partners are charged per person at the relevant rate.

Please note the following:

- This pricing is from the 1st December 2023 and exclusive of GST for home care package and healthcare services.
- Services within regular hours are billed for one hour, then in 15-minute increments after that which will be one quarter of the hourly rate.
- Services outside of regular hours or on Public Holidays may attract a minimum three-hour service charge.
- Services involving client travel are billed, in addition to the applicable service rate for a partner, at \$1.50 per kilometre, unless using the client's car.
- Any cancellations with less than 24 hours' notice will incur a charge of the full fee.

Affinity Senior Care Membership Pricing

Description	Level 1	Level 2	Level 3	Level 4
Clinical Partner Care & Support	\$30.00	\$52.00	\$113.00	\$172.00
Time allocation per week	30 minutes	30 minutes	1 hour	1.5 hours

Our membership rates are charged for the provision of care, support and services for the time specified each week by a Clinical Partner. The cost is calculated as 15% of the home care subsidy rate rounded up, for one week. If care or coordination is required for longer than the time allowance, services will then be charged at the nursing rate, in 15 minute intervals, for the time required.

Membership Commencement and Reviews

Please note that we conduct a baseline health assessment of all clients when commencing services with Affinity Senior Care. A baseline assessment may identify clinical concerns requiring additional assessments which will be discussed. Assessments are completed by a registered nurse as per the hourly rate.
